Introduction

After taking over Wheelchair Services and the Authorised repair contract in September 2015 we wanted to take the time to provide answers to some questions you may have in relation to your service.

Our Aims and Goals

- Our aim is to provide a high quality specialist assessment and provision for wheelchairs, postural mobility seating and pressure care to all people with mobility difficulties across the Suffolk area. This service is delivered by a specialist team of staff with skills in a wide range of clinical areas.
- The Wheelchair Service provides assessments for people with permanent mobility problems (longer than 6 months), including specialist seating for wheelchairs users with postural problems.
- The Wheelchair Service aims to promote and maintain user independence within their own

homes, education, work and social settings.

- The user will be supplied with equipment meeting their clinical needs. We are always aiming to reduce the time that our service users wait from the time they are referred for assessment to the time we issue your equipment.

Voucher Scheme

The NHS Voucher Scheme is a means of offering wheelchair users greater freedom to choose a wheelchair. Anyone who qualifies for an NHS wheelchair can use what the NHS would have spent on a wheelchair for them as part-payment for a wheelchair of their choice, which may be of a higher specification. The Voucher is an undertaking to pay a proportion of the final bill, and has no cash value.

The questions below apply if you purchased a chair through the NHS Voucher scheme.

What do I do when I need a reassessment as the wheelchair I obtained no longer meets my needs?

If the wheelchair no longer meets your needs because of some significant change in your medical condition you may be reassessed. If you have bought a wheelchair that is inappropriate for your assessed needs then there is nothing the service can do.

What is the life of a 'Voucher'?

Either 3 or 5 years and this is made clear on the paperwork you received.

When can I apply for another?

At the end of the life of the voucher.
